Following the cancellation of the 2020 physical edition of Art-o-rama, an Immaterial Salon was implemented with the will to present online, not documentation about artworks, but accessible and comprehensible artworks through a digital medium.

Thanks to a warm reception from the exhibitors as well as the collectors and art lovers, in 2021 we will maintain this section of Art-o-rama dedicated to immaterial artworks, meaning sound or text works.

The participation in the Immaterial Salon is free for the publishers selected for Art-o-rama.
