ART-O-RAMA Marseille

International contemporary art fair
Salon international d'art contemporain
29th - 31st August

Art-o-rama is the main international fair for contemporary art and design in the South of France. An unmissable event that kicks-off the French contemporary art season at the end of summer, Art-o-rama features a unique and demanding selection of emerging local and international artists, bringing together over 60 galleries and publishers in Marseille, and online with the Salon immatériel.

The Salon immatériel is Art-o-rama's digital section, dedicated to text or sound-based works, video and, more generally, to any work that can be accessible and experienced in a virtual space, just as it can be in a real one.

The Salon immatériel will be online from Friday, the 1st of August to Sunday, the 21st of September.
